

Sacred Relationships Retreat (Level 2)

with Tiffany & Kristof

September 17th—19th, 2018

Join us for this time for level 2, as we dive deeper into the exploration into Tantra, Partner Yoga and Compassionate Communication, as we explore ways to maintain, improve and re-ignite connection, communication and sexual intimacy. We will offer various techniques, exercises and a wealth of comprehensive information drawing from the teachings of Yoga, Meditation, Tantra, Compassionate Communication, Modern Sexology, Ayurveda and our own relationship! This will be a weekend filled with explorations, play and transformation in the way in which you view sexuality, partnership and love. Level 2 requirement is that you have attended the level 1 retreat, or other tantric workshops.

ABOUT THE FACILITATORS

Tiffany Nicholson-Smith (E-RYT 500, RPYT) is a radiant Yogini, an Ayurvedic Practitioner and a lover of life who is known for bringing her clarity, abundant energy and aspiration for truth into everything she shares and offers. A world citizen and sacred activist, she approaches life with an open heart and an inspired mind. Tiffany has studied and retreated extensively with various teachers in India and around the world, immersing herself deeply into Tantric Hatha & Kundalini Yoga, Advaita Vedanta, Spiritual Nutrition, Ayurveda, Compassionate Communication & Sacred Sexuality. Her students appreciate her art of drawing upon the wisdom of these approaches to offer their truths in ways that are both accessible and highly applicable.

Kristof Wittstock (E-RYT 500) is a down-to-earth spirit who is known for his clear dedication to truth and his humble heart. He has had the opportunity to study for the last 20+ years with various teachers and schools, most situated in India, and steeped in the traditional, classical wisdom of Hatha, Laya, Kriya and Kundalini yoga. Kristof also has a deep respect and love for Buddhism and has retreated extensively in the Theraveda tradition. His offerings are always infused with this revolutionary edge of Tantric Yoga, Meditation and Buddhism. His students often comment on his artful blend of focus, precision, laughter and joy, and enjoy his mindful invitations to live a life of true alignment and awareness.
